

WINTER GAMES LODGING INFORMATION

ABOUT THE VENUE

You'll find Dubuque is a contemporary city with Victorian charm. Dubuque is the seventh largest city in the state of Iowa, yet it features a small-town's warmth, friendliness, and freedom from hassles. Situated in a beautiful, natural location along the Mississippi River, Dubuque is known for its steep hills and river bluffs. In fact, because of its hills and Victorian mansions, Dubuque is sometimes compared to San Francisco.

Sundown Mountain is just west of Dubuque, Iowa, a major tourism community. It has riverboat casinos, art and river museums, a symphony orchestra, live theaters, movies, 1,400 overnight accommodations, 100 restaurants, and great after-dinner entertainment.
